Durable, hypoallergenic pillows

We handcraft our pillows in Yarmouth, Maine from the finest globally sourced materials. Combining our state-of-the-art technology with Maine’s strong work ethic, Cuddledown makes each pillow with downproof, 100% cotton fabric, double stitched for lasting durability.

Our assortment of hypoallergenic fills includes responsibly sourced down and European Down Alternative. Widely used by inns, resorts, and hotels, our affordable Down Alternative mimics the look and feel of down.

All of our pillows are OEKO-TEX® STANDARD 100 certified, and our down is responsibly sourced – RDS certified by Control Union.
